Local Self Government Department,
Bangalore.

S i r,

I have the honour to state that the Deputy Commissioner, Bangalore District, has reported in his letter No.C.2(a)1026/38-39 dated 5th November 1938 (copy enclosed) that it is considered desirable to prohibit the construction of buildings to a width of 100 yards on either side of the Madras-Cantonment Road between the City Municipal Limits and the Old Distillery. It is stated that the area in question falls within the jurisdiction of the marginally noted three villages of Bangalore Taluk,

1. Byatarayanapura.
2. Kadithimmanahalli.
3. Jodi Kempapura Agrahara.

and the Village Panchayets concerned, except Jodi Kempapura Agrahara which has been superseded, have passed resolutions agreeing to the issue of a Notification under Section 29 (A) of the Village Panchayet Act prohibiting the erection of new buildings in the areas on either side of the road lying within their respective limits. As the requirements of Section 29 (A) of the Village Panchayet Act have been complied with, I request you to kindly move Government to issue a notification thereunder prohibiting the erection of buildings in the area to a width of 100 yards on either side of the Road lying within the local limits of these two villages except with the permission granted by the Deputy Commissioner, Bangalore District. As regards the area lying within the limits of Jodi Kempapura Agrahara, Government have already issued a notification prohibiting the erection of

buildings in the entire village in their Notification No.L.7811/V.P. 39-35- dated 11th April 1936.

Letter No.C.2(a) 1026/38-39 dated 5th November 1938, from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore.

Subject:- Re: the prohibition of construction of buildings on either side of the Madras-Cannanore road between the City Municipal limits and the old distillery.

In forwarding herewith the file of records received from the Amildar, Bangalore Taluk, with his No.V.P. 103/38-39 dated 22nd October 1938 on the above subject, I have the honour to state that it is considered desirable not to permit construction of any building to a width of 100 yards on either side of Madras-Cannanore road between the City Municipal limits and the old Distillery. The Amildar, Bangalore Taluk, was therefore requested in this office letter of even number dated 15-9-1938 to consult the Village Panchayets concerned in the matter as required by Section 39 A (1) of the Mysore Village Panchayet Act. Orders were also issued to the Amildar to see that no buildings were allowed to spring up in that area, pending publication of a notification in this behalf in the Mysore Gazette.

The Amildar has now reported in his letter No.V.P.103/38-39 /1 that the area in question falls within the jurisdiction of three villages viz., Byatarayanapura, Kothimmanahalli and Jodi Kempapura Agrahara. The Village Panchayet of Jodi Kempapura Agrahara has been recently superseded till 5-12-1938 as per this office memo No.C.2-(a) L.1927/37-38 dated 26-2-1938. The resolutions of the Village Panchayets of the former two villages are enclosed. As regards Jodi Kempapura Agrahara village, orders prohibiting the construction of the buildings without the permission of the Deputy Commissioner have already been notified in G.O.No.R-7841/V.P. 39-35 dated 11-4-1936. I therefore request that Government may kindly be addressed to issue a notification in the Mysore Gazette prohibiting the erection of any buildings to a width of 100 yards on either side of the area in question except with the written permission of the Deputy Commissioner.
